The Audit committee has comments on following points as per SEBI Master Circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated June 20,2023.

6.1. Need for Amalgamation

The amalgamation of Markolines Infra Limited ("Transferor Company") into Markolines Pavement Technologies Limited ("Transferee Company") would strengthen the position of resultant entity i.e. Transferee company, by enabling it into harness and optimism the synergies of the Transferor company.

6.2. Rationale of the Scheme of Amalgamation:

The Audit Committee noted the need and the rationale of the Scheme of Amalgamation and that the same would be in the best interest of the Transferor Company and Transferee Company and their respective stakeholders as the same will yield advantages as set out below:

- a. The Transferor Company is engaged in the business of Highway Operations and Maintenance (O&M) offering following services: a) Toll operations, b) Route patrolling and incident management, and c) Routine maintenance.
- b. The Transferee Company is engaged in the business of a) Highway Maintenance which includes major maintenance and repairs of highways which covers Preventive, rehabilitation, renewal or resurfacing of the assets; b) Specialized Maintenance Services which includes Micro Surfacing, Cold In Place Recycling (CIPR) / Cold Central Plant Recycling (CCPR) with Cement and Foam Bitumen; and c) Specialized Construction Services which includes Full Depth Reclamation (FDR), Tunnelling, etc.
- c. The Transferor Company is a recognized leader in Highway Operations and Maintenance (O&M) services, with expertise in toll operations, route patrolling, incident management, and routine maintenance. The Company has successfully executed 31 projects, operating 25 toll plazas and managing over 42,900 lane-kilometres across 16 states in India over a span of 11+ years.
- d. The Transferee Company is also a leading company providing major maintenance and specialized construction services to the highway industry in India over the span of more than 22 years.
- e. The proposed amalgamation will enhance the Transferee Company's service capabilities, expand its market reach, and achieve greater economies of scale in the construction industry, thereby strengthening its capacity and resources to drive business growth.

6.3. Synergies of business of the entities involved in the Scheme of Amalgamation:

The Audit Committee noted the synergies of business of the entities involved in the Scheme of Amalgamation which are as under:

- (i) **Strategic and Capacity Enhancement:** the integration of the Transferor Company with the Transferee Company is expected to provide the following synergies:
 - *Accelerated Time-to-Market:* Streamlined organizational structure will enable faster decision making, improved inter-departmental coordination, and quicker deployment of services.

- *Broader Market Reach:* Leveraging combined licenses, relationships, and regional footprints, the merged entity can access new markets and deepen its presence in existing ones.
- *Business Model Scalability:* Integration will result in a more agile, scalable, and responsive business model aligned with evolving industry dynamics.
- *Operational Visibility and Real-Time Insights:* The Transferor Company's 24x7 on-site presence enhances data accuracy and client interaction, allowing real-time project insights, optimized planning, and precise cost estimation—providing a strong competitive advantage.

(ii) **Operational Synergies and Cost Efficiencies:** the integration of the Transferor Company with the Transferee Company is expected to provide the following synergies:

- *Reduction in Duplication and Risk:* Unified operations reduce redundant legal and administrative frameworks, simplifying compliance and mitigating operational risks.
- *Procurement and Vendor Optimization:* A centralized procurement approach will improve bargaining power with suppliers, resulting in cost savings and enhanced contract terms.
- *Streamlined Administrative Functions:* Integration of HR, finance, IT, and legal functions will lower overheads and improve process efficiency.
- *Economies of Scale:* A larger operational base will yield cost advantages in compliance, business development, marketing, and service delivery.

(iii) **Complementary Service Offerings and Strategic Positioning:** the integration of the Transferor Company with the Transferee Company is expected to provide the following synergies:

- The merger will bring together complementary competencies across pavement technologies, specialized construction, and highway O&M services creating a holistic and robust infrastructure service provider.

- Most significantly, the amalgamation will make the merged entity the only and the largest company in India offering the entire spectrum of Highway Operations & Maintenance services - from construction and rehabilitation to toll operations and routine maintenance.
- This comprehensive capability will enhance brand visibility, broaden the service portfolio, and significantly strengthen the Company's position in the infrastructure sector.

6.4. Impact of the Scheme of Amalgamation on the shareholders:

The Audit Committee noted the impact of the Scheme of Amalgamation on the shareholders of the Transferee Company which, is as follows:

- a. The equity shareholders of the Transferee Company will benefit on account of the rationale and synergies as more particularly outlined in paragraphs 6.2 & 6.3 above;
- b. The Transferee Company will issue and allot equity shares, as fully paid up to the equity shareholders of the Transferor Company, in accordance with the Share Exchange Ratio (as set out in paragraph 6(d) of this Report) and in the manner provided for in the Scheme. The equity shares to be issued by the Transferee Company to the equity shareholders of the Transferor Company pursuant to the Scheme will rank *pari passu* in all respects with the then existing equity shares of the Transferee Company.

Based on the above, the Audit Committee of the Transferee Company is of the informed opinion, the Scheme of Amalgamation will be advantageous and beneficial to the Transferee Company and its shareholders/stakeholders.

6.5. Cost benefit analysis Of the Scheme of Amalgamation:

The Audit Committee noted that the Scheme is expected to increase the value for the Amalgamating Companies involved in the Scheme and their stakeholders primarily on account of the advantages and synergies as more particularly outlined in paragraphs 6.3 of this Report.

7. Recommendation of the Audit Committee:

The Audit Committee reviewed the Valuation Report and noted the valuation and recommended the share exchange ratio for the Scheme of Amalgamation (“Share Exchange Ratio”) as under:

Upon the Scheme becoming effective and in consideration for the amalgamation of the Transferor Company into and with the Transferee Company, the Transferee Company shall, without any further application, act or deed, issue and allot, to the shareholders of the Transferor Company whose names appear in the register of members as on the Record Date (or to such of their respective heirs, executors, administrators or other legal representatives or other successors in title, as may be recognized by the Board of the Transferee Company), 1.05 (one decimal zero five) equity shares having face value of INR 10/- (Indian Rupees Ten only) each, credited as fully paid up, in the share capital of the Transferee Company, for every 1 (one) fully paid-up equity shares having face value of INR 10/- (Indian Rupees Ten only) each, held by such eligible shareholders of the Transferor Company .

8. Further, Aftretrade Broking Private Limited, an independent SEBI registered Category I Merchant Banker, has issued a fairness opinion stating that the Share Exchange Ratio is fair from a financial point of view.
9. The Audit Committee after due deliberations and after taking into consideration the Valuation Report, the Share Exchange Ratio, the Fairness Opinion, all the terms of the Draft Scheme of Amalgamation, rationale of the Draft Scheme of Amalgamation, synergies of business of the entities involved in the Scheme of Amalgamation, cost benefit analysis of the Scheme of Amalgamation, impact of the Scheme of Amalgamation on shareholders of the Transferee Company and other documents presented before the Audit Committee, recommends Scheme of Amalgamation for favourable consideration by the board of directors of the Transferee Company, shareholders of the Transferee Company and creditors of the Transferee Company (as may be applicable) for its approval and for favourable consideration and approval (as required) by the Stock Exchanges, SEBI and other regulatory authorities, as may be required.
10. In order for the Transferee Company to comply with the requirements of the extent regulations applicable to the Scheme of Amalgamation, this report of the Audit Committee may please be taken

on record by the board of directors of the Transferee Company while considering the Scheme of Amalgamation for approval and further authorisations.
